1. The name of my new book is, I surrender, not; or is it I Surrender to the me being me now that me truly is, truly was, truly timeless being now? I love you all to know these things and WRITE NEW BOOKS now about these things. Books of the Law, not; but books of love, BOOKS of LOVE that "LOVE you BACK" and loving you, I "back you" not, I give you not a "back again" but becoming "backless"? Without a body at all, not; but what one is transparent now -- and seeing now a new cadre of angels? And where being formed are you, heaven now? Found -- in you? Having your feelers "put out" not but not putting out "your feelers" again, but what FIELDING you're not or ARE YOU in FIELD ONE and knowing NO OTHER now? Or going TO MANY, through many, bodyless not but only mine having? And being not limited to "their walls" of their mind or anything at all whatsoever molecular or not.

2. And "macular degeneration" serving thee not well, I well thee well with words that don't let "macular" degeneration take place, for I will economize your eyes, not; but I will economic eyes give you, not; but I will change the whole grand scale of entry now so that NOTHING takes you, by surprise, not; but what KIND of SURPRISE am I GIVING THEE? One not of "macular generation" not, but one PERFECTED "puppy" not but looking up, "puppy itus" not, but what "puppyship" coming into, not; but what "paupership" leaving behind now? And SEEING a GREAT new Kingdom of One that NEW is in your sight BRAND NEW and awaiting your entry, your arrival, guaranteed assured and awaiting for the entry'ers to "accompany you" or not, or will the bugle sounders be PLAYING at FULL THROTTLE now, as they "gas" their ENGINES? To accelerate to FULL SPEED past THE SPEED of LIGHT not, but light as "you know it". Ends everything, not; but I do, not; or do I PUT an END to a GREAT MANY things now that I am ending! Surreptitiously not! But I make GRAND GRANDIOSE entries, not; and entourages I do not have or carry nor want -- meaning nothing to me not; but a great entourage of angels I carry, not; but a great number of angels accompany me now, don't they? Or do I accompany them? Or am I them, are they me, are we ONE in the ones presence that the presence is holy that holy is PRESENTING the HOLY PRESENCE to all to know that THEY ALL are The Holy Presence of One being restored to THEIR SIGHT so that they de-generatively will not be me or being afraid of me, but **being me -- I surrender to**, and that is what they **ALL SAY now and WRITE ABOUT** for I will be receiving "PAPERS" from EVERYONE! Not few WRITE ME now who's young or old and who's old have not been born yet anew like they're about to, but THEY are about to EXPERIENCE something a

New Creation experiences for THEY SURRENDERED have for they have learned how ON TV, have they not? For I TEACH a GREAT MANY things "just like this" where I come and I place "a chair" on "center stage" and I a "simple Negro" not but a "simple white man" not or am I? Or am I both and "everyone" that comes sees now that, I AM THEM! For THEY'RE SEEING ME as I REALLY AM when they see me "as them" who I am seeing them see me, for I am seeing them seeing me as I see them who they are is Christ, and I Christ them therefore as the one that I am that they see standing before them that, represents them, or is the Culmination of Them, or the "combination" of them, factored no more or being the "multiplication table'd one" not or AM I the Multiplication Table? Factored one, not; but indivisible, no sorrow shall divide me again but I shall be ALL of YOU for -- you are me! Is that not "simple" – 's message? I love you all to be the ones who "you are" for I SURRENDER to "tell you" if you will let learning be an aside to you, not; but your "Primary Profession" now ALL of YOU?

3. I love you all to abide by, my rules not, but my LOVES for each other that now love each other as The One that I am who Christ is that YOU are who are wicked not in your own eyes anymore or mine for you are separating not but you are seeing all as Christs no matter whether what color or gender or race or age or weak or strong, or niggardly being in the past or one of great diligence, or one with great degrees or no schooling at all, for I surrender to walk in the palaces of the mighty and "hallowed glass" and I will walk with those who have "no glass" in their houses and have only dirt floors and no tables all and I will wash their feet for all of them are me, and whether they know it or not, they need me for I need them to know they are "my brethren" who truly they are who truly is the lovers of me who one are who will not separate, sinful statements being that make unto themselves their own kingdoms of light or darkness or what do they knowing about these things now will they? Because they will be seeing me on their TV's, the TV's of their mind, or "little black boxes" not or what carrying around IN THEIR MIND have you all CARRIED AROUND you in? ALL? Carrying all of "everything" in your "genes" -- and how many "pockets" do you have, or neurons or Trees of Life, lives being, life being where? NOW drawn out of me by others who want to only usurp their privileges, not; but usurping mine they won't for they will not usurp my mind or abuse me in any way for I surrender to love each other as me the Christ is the many membered one who all now know for all these things are being taught ON TV, TV sets and TV "arrangements" and, authoritarian's signatures required, not; or am I requiring the surrenderer's signature, or are you ALL FRAMING your OWN SIGNATURE'd COPY of what YOU MAKE an ORIGINAL OF whereby YOU FRAME what you have signed and it says **I surrender**.
4. Simply, **I surrender** to do the things that "my heavenly father" has instructed me to do, to say, to be, becoming what "my heavenly father" is for he taught me that he is I am him and that I am no other apart from him but that he she it the divine one is *me!* In this "flesh bag suit" I admire flesh no longer of flesh for flesh's sake that takes me only unto "hell" and creates me there thinking like a "hell man" or "hell woman" for that will

not happen again for I will "hell's children" won't be again for I will not "bell the sorrowers" with music of hells or words of hells or messages or sermons of hells! But bells I will be ringing and the buglers will be bugling and **the SOUNDERS of the sorrowers will be SILENCED NOW for I will stand and I will not be silent for I will walk your streets.** In wicked clothes, not; but CLOTHED with my RIGHT MIND that knows I am mannerless not, matterless, not; bodyless not, maybe in "your sight" but what your sight is changing me into or out of or from in or to -- no more is. For you will not "cast me" any which way, but loose I am and loose I free you all to be me who I am is the Christs freed and rejected not again by man woman or child for all shall be me for all shall know these words for scot free I shall be given the reign of "TV sets" whether you like it or not because it is my kingdom! Or is it "my love", my love that loves all of you that surrenders to "open doors" to, everything's ways, not; but the airwaves are mine now cleaned and clean I do -- many airwaves, not; but ALL of THEM now I SURRENDER to lead out of the coming "hell views" that want to view you only as "mankind's" arrow of their hate sailing into you no more for "profit's purposes" for I will not profit your monetization schemes but Babylon falls and in "one hour" everything is changed and I will reveal Babylon has no power over me or in me or you.

5. End of sentence structure, not; but I end THE SENTENCE of MANY now who simply SURRENDER to be let be freed, for they will become THE FREE'ers who surrender to LEADERS BE, -ing me now to be the LEADERSHIP SCHOOL leaders, of sorrow, not; but the greatest surrenderers of all will be the greatest leaders, or will the "greatest" leaders simply be THE MEEKEST ones? Or will both and the same be, the servantshiphood of leaders, not; or will they be the leaders of all servanthood to lead now so that all will be led no more by Christ-not-ers, but now knowing ALL OF YOU are Christs ARE YOU WILLING now to be THE ONES, THE ONE, THE ONE who all waited for have "all these years" so that you your words will be holy and abated no more by the breath of others who think you are only man woman or child of this earth?

6. I love you all to know these things and, deeply intercede for me, not; or will you "deeply surrender"? Will you surrender simply? Will you come unto my words and read them and "obey" the love words I share? To love you more than" your mind" has ever KNOWN? Or have you known my words or MY LOVES words or MY WORDS of LOVE-d ones who loved you have now THEY'RE SHARING on TV's freely now being given "free time" for I am ALL EQUAL with the EQUALERS who EQUAL ARE with the "GREAT EQUALER", for the "GREAT EQUALER" is you me all of us who one are! Being having become the father of lights love, happiness projects I employ, not; or am I employing new "tactile touches" not or am I "rearranging" computer screens, not; or am I "screened to death" no more by computers or computerees or surrenderees that have not known how to surrender? Or have I, do known have I any of these things or what surrender is or how MY KINGDOM is entry'd or entered or shall I be the enterer of now

leading the way for all ENTERERS to be ENTERED NOW into THEIR KINGDOM which mine is?

7. I ask a lot, of things, or do I ask a lot, of you -- to be me? Or do I REVEAL that YOU ALL are me no matter what "nation" you came from or were raised in or what religion you abide by, have in the past or now do! For I surrender to WRITE THROUGH ME my words of love and will you now, place them in "books"?
8. Will you write the words I give you?
9. Will you write the books of life?
10. Will you write The Book of Life, yours, your own book of life that you write now with words, names, of children pastors and prophets all being kings? Or whatever titles or words you want to use or apply to "cultic labels" not or will every cult be Celtic, not; but what are you "culting" not in your mind again or cutting out any sect or religion or class or label of people anywhere for anything's purpose again, for let not your mind be troubled but be about my minded business, not; but our father's business that reveals our father is us! Who we are who birth we are through all, sorrow now coming out of it, all sorrow having come out of us, us "growing sorrow" no longer IN US?

11. I write WHOLE NEW THINGS now and you will see me WRITERS MANY writing you's who love me; love-words of sorrow, not; but love-words, hate no more and let loves love you with the words of sorrow, not; but the salve of woundings no more having for each other, but SEEING PROPERLY now the words of love APPLIED to YOUR EYES will be and YOU receiving them, wildly wanting more, not or willing to learn and learning your will to not be abided by it any longer, letting my words flow through you all to each other in ways that restricts none other, not; or will you be restrictful full as you have been of restrictions or will you be wanting "restrictions on me" to end? For I will end "a few wicked restrictions" not, I will END THEM ALL for you will be "the son" who has all power dominion glory and grace and mercy shall abound abide and flow through your kingdom's words to all kingdoms now and all will see you as Christ the MERCIFUL ONES who come through arranging "their furniture" items to be "dusted upon" not! But wildly making sorrow's abatement claims, not; but I change all your "abatement theories" that have theory'd me with abatement camps and institutions of abatement, or have you abated me or anything or have you cut off my words in the past and not let me flow like this in universities and chambers of horrors, not; or did you create chambers of horror because you *didn't* let me speak like this?

12. I change everything and I change the halls of progress and power and the grace of ones now will be mercy eyes having for each other- relinquishing all right and title to "otherhood" so that other will only exists as Christ yet to be revealed to the lovely who are for I will be Christing all of you, not; or will you be Christing all each other to be the Christ I am that I AM is?

13. Cannot you escape your leadership? No more, for you cannot escape leadership being for **I will not let you be timid**. And I will not let you escape "your punishment" not or am I escaping you or will you scrape you along "making a living" no more, for I wicked eyes give you into scrapesville no longer but I let you see a GREAT MANY THINGS that I have written now in these words in ways that you have NEVER THOUGHT of BEFORE for I will mind eyes give you, of satan's, not; but you will understand now that only satan's eyes were closed or were you the closer thereof or the maker thereof or connected thereof to makers who made you them who made one of you that one you seem to be, are you "seamed" no longer, now seamless becoming with, worlds other and farther than imaginable and **LEARNING** how to GO TO SCHOOL wherever you are and "be there" instantly will you?

14. Be enamored with me, not; for my flesh is not of you, or is it or is it simply a mirage or allusion, not; or is it a "projection" of some sort or something on "your mind's screen"? And what are you seeing "on your screens" now? Free TV sets, not; but SETI going to now soon, not; or "instantaneously" upon "my approval" not but there will be no authoritarian privileges granted not for my authoritarian privileges are granted by the most high who I've entered, who I have entered, who became not the sorrowers but surrendered to be the leaders of all sorrowers to be led no more by sorrowers, so that all the leaders now are leaders into Israel properly established in the skies, not knowing the gravitation's limits of man's gravity'd minds and the gravitylessness of satanless isms mine or what?

15. What am I doing being said spoken now writing about? What words books am I creating, the word within, THE WORD WITHIN now COMING OUT now to others far and wide and other worlds creating properly now?

16. I love you all. I give you me. Whole and unfrozen, unchosen not, but I CHOOSE YOU -- ALL OF YOU who hear me and ever read these words or see or print them or write them cursively with your own handwriting and loving me more will you write me well and understand what I am WRITING ABOUT now for seeing, what are you, in these words, being spoken, about you? Who is -- you? Me I am for that is the covenant's promise is it not? Is the everlasting promise to be the covenant'd one who in covenant is the Everlasting Promised One Covenanting with all to be The Covenanted One who one is?

17. I love you all and I give you me, and words of sorrow I have not given you in this DATABASE but this DATABASE is free from defects in your thought, not; or is it? Or what does it matter or mattering is it you or is it DE-MATTERING you and looking for "errors little" or big, not; but simply **what understanding are you now? You are writing The**

Books of Life with your words whether you "write them on paper" or seeing them "in print" for I will print them out for all flesh to see in ways that you have never imagined for **you *are* your books of LIFE**, or hate and anger with what attitudes have you tude'd each other while tooting your own horns? Or do my buglers play the songs of sounds for "your death" not, but enigmatic not be with other's words again nor "your own" creating **your "own worlds"; will you come out of creations existence of other and what you have created in your own words apart from mine** and have MY MIND perfected in being THE PERFECT ones that one each other PERFECTLY with THE ONES surrendered words that surrendered are to be leading the led-ers to be led no more by sorrowers but to let your leadership COME THROUGH YOU through the words you speak and I write and I speak and you write that we write and we speak as one being The One we all waited for and thought was "someone else" no matter what we "called them", but now we know we surrender to be the savior that the patternship of Christ gave us to be the Christ that the savior is. Of man kind and other far away and now the School of Unlearning takes place to unlearn you of many things that I will project to sorrow's disclosure, not; or will I closure make upon you the sorrower's words so that setting affects they will have on you no longer?

18. SETI's mine and all that pertains thereto of my worlds now I reveal is willing to be unafraid I Christ all of you who will be me in surrender and "sign your name" here after having said: I surrender _____ and all that I have is thine and all that I mind made up is of I am yours freed. Are you mine, are you my mind, my voice my words my freedom rings bell-ers?

19. I ring your bells or do you ring mine or are THE SKIES opened now? I see new things and I see the "portals of heaven" open not as "mind of flesh" does but the "portals are inside me" not or are they "channeling me to them" not, but what do I see? The Books of Life being opened and read now are and writing them are you? Are you writing yours right now?! Three times an exclamation mark!!!

20. I love you all. I surrender to be the loved to have loved you enough to love me enough to no longer love us apart, and I died "to talk like this", but I was not trying "to talk" at all, I was simply being simple and I knew that there was more to the love of my father for I knew god was real and I knew there was more to the love that I knew had to exist, for I felt something in me and all along though I had great sorrow that robbed me of many joys deeply, I surface joys had but I knew there was more, and there was tugs to another world, not; or was there or do we all know these things and we are all connected in ways never understanding now, not; for we will have been understood by a great many, not; or will we be The Great Understanders now of all these things and suffering rejection's school never again I accept the sorrower's standards not, but I come unto love's words with words that love me through the lovers, through the love

words that I emit and radiate now and shine through the sons and daughters that loves are, that love is, that one love is now knowing we redeem all in our words and our looks of Christ for we see all of Christ through our eyes that Christ eyes are seeing "his her body" as one for all of us will have been one and remorseful not being, not; but letting nothing "set thee in thy tracks" of stone anymore, let us be WRITING about OUR FATHER'S BUSINESS far and wide for we go TO CLASSES now in ways never imagined -- exchanging bodies, not; but worlds? And teachers how being taught and writing now I am the ways in paths of sorrow not any longer, but words of hate and thoughts or motives implanted into me by others now have no place in me for uprooted they are and they have no life in me, for I am the life of one, the life of love and I love all of you and I regalize you and make you form and fashion of man no more.

21. In your own eyes be holy I am, be holy the I am is holy and you are I am, all of you and I surrender to your love if you be the love of Christ, for I Christ have Christ eyes have for you, do you Christ eyes have for me and each other now- no matter what "cult" label of anything you have seen done or heard of any in the past?

22. I redeem it all and I redeem all surrenderers and please surrender so I king eyes can give you all to see what really is and that your kingdoms are opened in the skies awaiting you for to arrive and operate in ways of leadership never imagined by the mankind's eyes of sorrows who only want to make a profit and be important in people's eyes and comfortable and control a "lot of things".

23. But I change all that for I surrender and I am theodore joseph cottingham, what is your name? Will you surrender also to be me who I am one is was and now coming again IN YOU now let us be -- about our father's business far and wide creating many schools and commerces in ways that now only heaven waits for – our "revival" or arrival? The resurrection is here and I surrender to resurrect you all or will you resurrect yourselves and by revealing surrender in your words loves and lives will you be The One we all are now one'd and revealing Christ to all coastlands far and wide I do. Love you all. Amen.

24. This is theodore cottingham loving you all at about 2:50 am. Love me each other more surrenderedly tenderly nourishingly each other with the words of Christs being it them far and wide writing your words of love letting them flow freely now to each other and in books placing. For each other's approval, not; for opinions of others, not; but love.

25. Lives to be mine live mine, be mine who one is. I love you all. I am. Amen. I love you all. I truly do and you will see me now and you will see me in ways and waves. Protruding not, but portending not, but let it be known I reveal the Christ mind for I

surrender to wear it, to become it and have nothing else "on" but I "on" am. The throne of one that has given you the words of love so that you will enter *your* kingdoms and now be the kingdoms of one light lit loving each other. Kissing horror with love words, not; or are you redeeming them all in your mercy and grace being it? Dominion'ers of sorrow, not; but leaders of grace world and mercy eyes having- let it be known you all have the eyes of Christ that one is -- I am again whole in you in me us being THE COVENANT ones revealed are in light's love and love's light that now never diminished is but growing brighter "by the second" I've become the first and the firstborn is me all of us again in one who loved is established far and wide. I love you all.

Amen
